

## Do you want to build a SNOWMAN?!

Please join us at Hearth & Home in making some special memories outdoors! We are inviting families to come to Hearth & Home to build a snowman to share with everyone! You can choose any area outdoors to build your snowman, but in front of a window would be the best option. Once you are finished building, take a picture of your snowman and share it on our Facebook page. You will be entered in to a drawing for a \$50 gift card.

We are looking forward to watching some fun creations!

Stay Healthy & Stay Safe!
